

Heart to Heart

Chorus

Heart to heart we can talk
Heart to heart we can make it all better
Heart to heart we can talk
Heart to heart we can make it all right

Verse 1

"Teacher," yelled Mark, "Johnny took my toy!
I had it first, he's a very mean boy"
I had it first, it's not at all fair,
If he doesn't give it back,
I'm gonna pull his hair"

Verse 2

Teacher says, "Wait, we can talk this out
Hold the heart-to-heart box,
Please talk and don't shout.
Stand face to face with the box between you,
Follow what it says and you'll work it out soon."

Verse 3

Teacher asked Mark what he wished would happen.
"Don't take my toy if I'm playing or napping."
Johnny wants Mark to share when he plays.
He likes to play with Mark on any school day.

Verse 4

Teacher asked Marks what he likes about John
"He's fun on the slide and he likes to run around."
John says now what he likes about Mark
"You draw real nice and run fast in the park."
