

## Two in the Fight

There were two in the fight

And the little one said, "I'm angry, I'm angry"

But the other one started to run away.

"Come back and hear what I hear what I have to say."

Keep talking

Keep talking

Come on back (snap, snap)

Come on back (snap, snap)

We can figure this out

Come back (snap, snap)

Come back (snap, snap)

We can figure this out
