# Looking Into Illustrations

---

**My name or my group:** \_\_\_\_\_

**The illustration I/we are studying:** \_\_\_\_\_

1. What part of the story is this illustration from? How does that make a difference?
2. What feeling do you get from this illustration? What creates this feeling?
3. Why do you think the author/illustrator included this illustration? How does it contribute to the overall message of the text?
4. How does this illustration contribute to the mood or tone of the text?
5. Why do you think the author/illustrator chose these colors or this particular style for this illustration?
6. For informational text: How does this illustration/graphic add to your understanding of this content?
7. If you were illustrating this scene, how would your illustration be different from the one the author/illustrator created? Why would it be different?
8. Is there anything about this illustration that you think misrepresents the subject or promotes stereotypes?
