

Planning Page: Develop

Develop: improve the quality or substance of; extend or elaborate upon an idea in order to give it greater form; add more complexity or strength to an idea, position, or process

Learning Goal		
What will your students develop? What learning outcomes or assessments do you wish to see?		
Before	During	After
How will you prepare students to develop ideas about texts, issues, situations, or works?	What activities will you use to model, scaffold, and engage students in development?	How will you measure the effectiveness of your lesson?
Notes From This Chapter		
What ideas or activities from this chapter do you wish to remember as you teach students to develop?
