

Mental Moves

Support

1. Plan

What kind of evidence do I need? Do I plan to quote, paraphrase, or use examples to illustrate?

2. Collect

Where do I find this evidence? How do I keep track of evidence as I gather it?

3. Organize

What's a good way to present my evidence?

4. Cite

How do I refer to my sources? Can my audience find the original source of my evidence?

5. Discuss

Why is this evidence important? What does it prove?
